MUSTANG

VOLUME FIVE

published by the students of

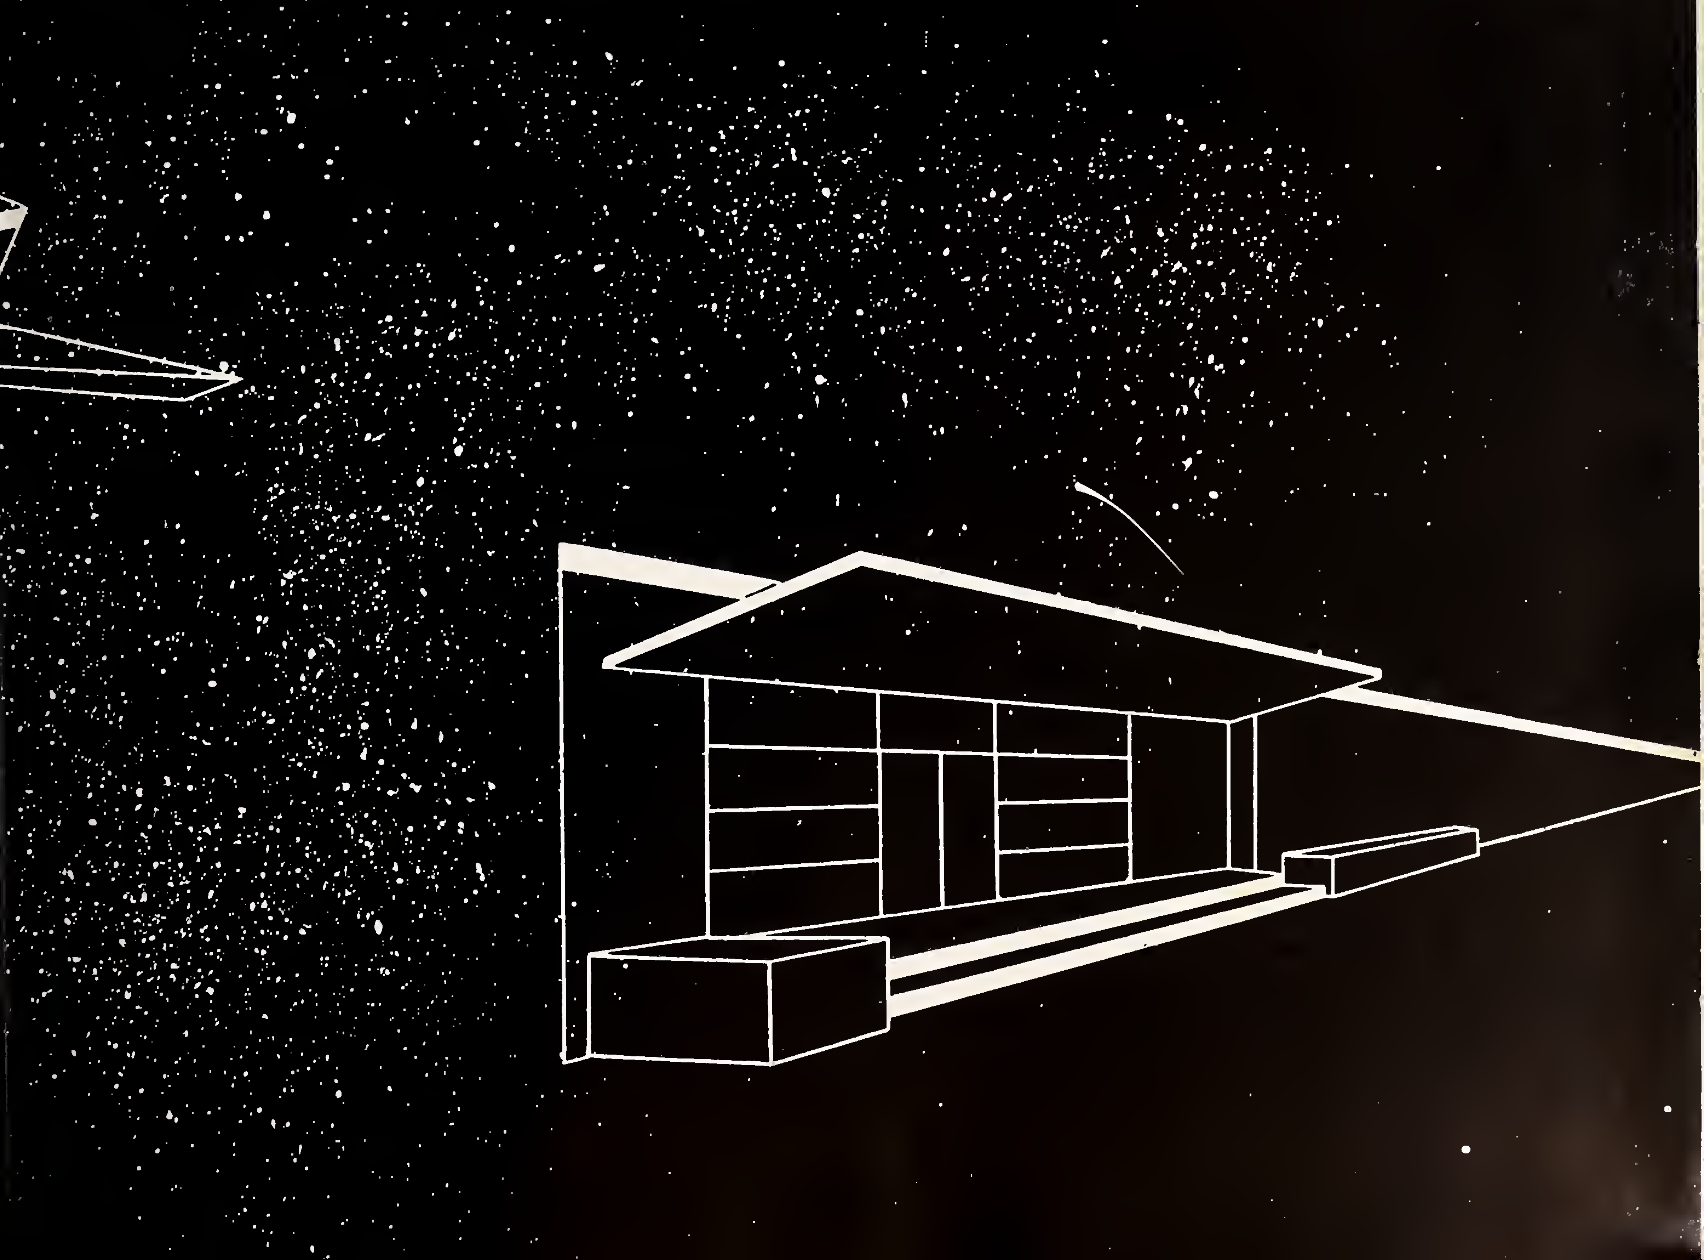
MYERS PARK HIGH SCHOOL
Charlotte, North Carolina

The pace of life in the twentieth century is hurried and exciting. Living each new day is a thrilling experience.

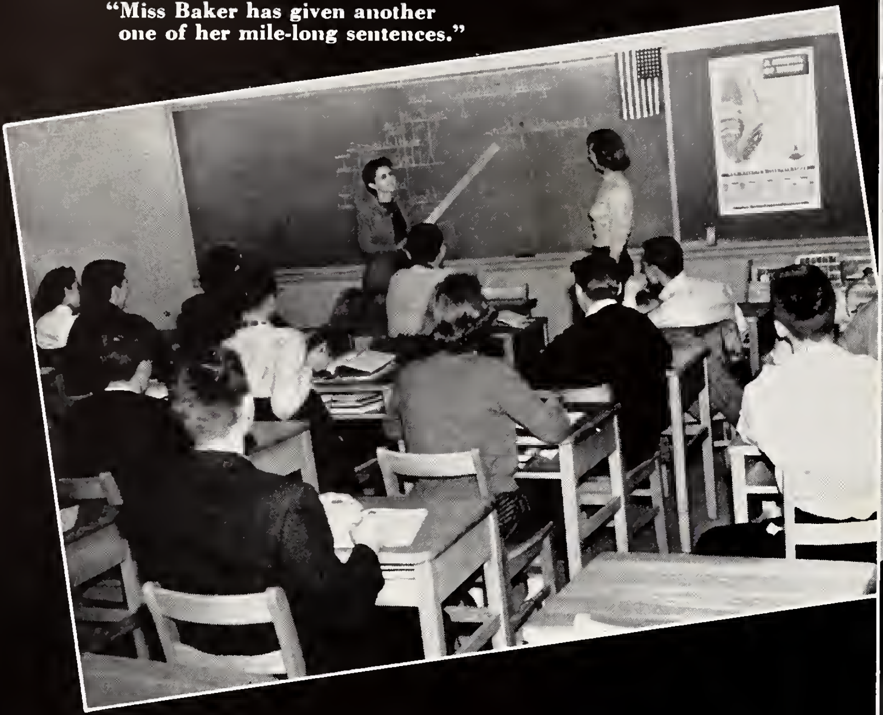
We at Myers Park are part of this changing world. Through our science clubs, World History study, and foreign language courses we keep in step with international interests. We have our Future Teachers of America club, Y-Teen activities, and American History classes through which we find a deeper understanding of our country and our part in its growth. Civics classes, the Key Club, and the Junior Rotarians keep us in touch with the citizens of Charlotte.

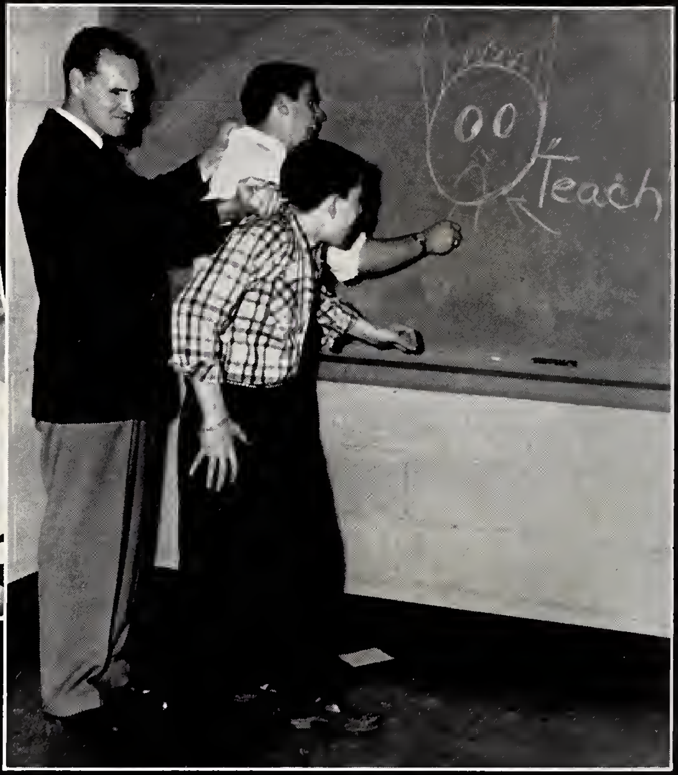
We are proud to take our place in our world, country, and community through our activities at Myers Park. Being outstanding students is our aim now, and going to school is our most important job.

On the following pages, the MUSTANG staff has tried to show how the students of Myers Park take their place in the times in which we live.



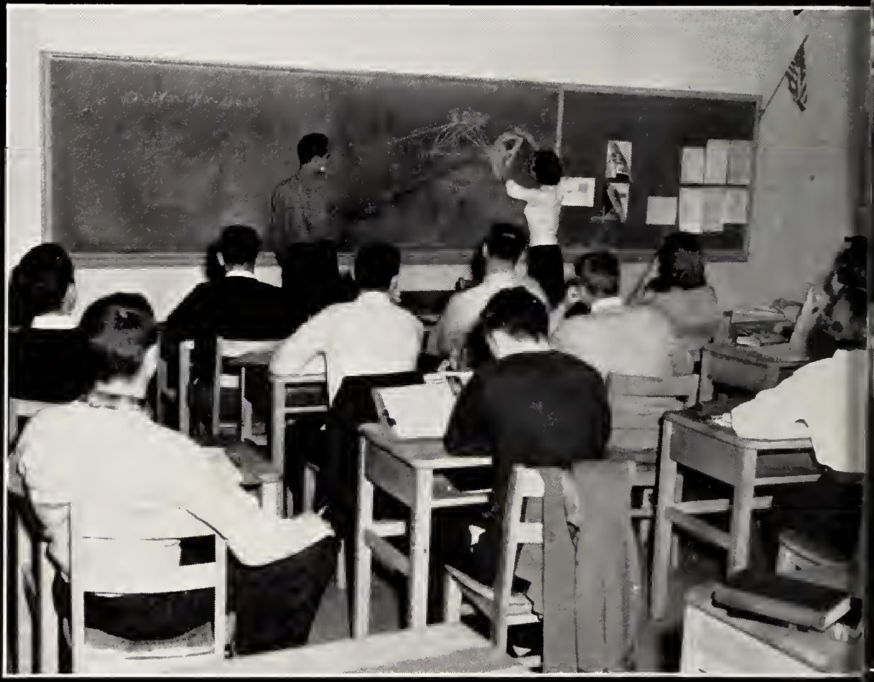
"Miss Baker has given another one of her mile-long sentences."





"Two culprits are nabbed by Mr. Sheppard."

"Tate and Roy have been 'sick'."



"When two tangents are drawn . . ."

DEDICATED TO

During our years at Myers Park, one person stands out as our teacher, friend, and counsellor. She has made our happy times unforgettable and our discouraging moments easier to bear. As our teacher she has claimed our respect, as our friend she has won our devotion, and as our counsellor she has our admiration. When we were wrong, she graciously corrected us; when we were outstanding in our efforts, she gave us her congratulations. Her enthusiasm in all that we have done has made us strive harder for success. In her office we have found wise and understanding counselling which helped us to make clear decisions for ourselves. The long hours after three-fifteen, the Saturday and Sunday afternoons, and the weeks through the summer months which she has spent working for the school have not gone unrecognized, for the Class of 1956 and the Mustang staff have felt the results of her tireless efforts. To show our deep appreciation for her service to us and to our school we dedicate our 1956 *Mustang* to our teacher, friend, and counsellor, Miss Frances M. Gunter.

In the course of a busy day, Miss Gunter takes time to give two seniors a cheerful word of advice.

Four juniors receive encouragement for their Junior-Senior plans.

Miss Frances M. Gunter

a leader loved by all

MR. JACK HORNER
Principal

Leaders are the foundation on which the success of an organization is laid. We feel that Myers Park High School has completed a very successful year under the capable guidance of our administrators.

Dr. Elmer H. Garinger, as Superintendent of Charlotte City Schools, has long been our faithful friend and advisor and has rendered invaluable services to our school system.

Our principal, Mr. Jack Horner, was a newcomer to Myers Park this year, but his friendliness and sincere interests in the welfare of the students soon won the hearts of students and faculty alike. Much of the success of Myers Park has been achieved through the unselfish work of Mr. Horner.

ADMINISTRATION

Mr. Tom Braaten has assisted Mr. Horner in many school activities. He has benefited many students individually and untiringly served Myers Park.

How many problems have been solved by our wonderful group of counselors this year? We have trod a well-worn path to their door, and there we have always found understanding and ever-ready assistance.

Our largest group of leaders is our faculty. Not only have they taught us patiently, but they have also worked with committees, chaperoned dances, and in numerous ways been of service to the students.

Yes, without these leaders, Myers Park would have been unorganized and of little importance; but through their sincere efforts our school has proved its worth in our community.

CLASSES

Myers Park—modern buildings, qualified teachers in every field, ambitious boys and girls testing their new ideas, explosions in chemistry, an attempt at one of the Romance Languages, searching for the "unknown" in math, originating fashion and design in clothing—a combination of these enables our students to take their places in the modern world of today.

1956 SENIOR CLASS

Seniors . . . one hundred and ninety of them. You see them everywhere . . . in the cafeteria at lunch working for better citizenship in their school; at Student Council meetings planning projects and carrying on the fight for senior privileges; rehearsing and selling tickets to the "Follies"; at a football game cheering for their team; on College Day trying to decide where they will be next year; ordering invitations to their graduation. And as they leave, their hearts are filled with memories of what Myers Park High School has meant to them.

This past year the Junior Class was busy promoting and financing its main project, the Junior-Senior Dance, which was given in May. To raise money to pay the band and other necessary expenses, the class backed a very successful cookie sale and sponsored a class play.

From the Junior Class came four nominees, two boys and two girls, for the American Field Service program. These students represented Myers Park in the selection of "junior ambassadors," who are to be sent to some European or Asiatic nation.

The Sophomore Class swung right into the activities of the Senior High this year and proved a definite asset to our school. They sponsored a Freshman-Sophomore Dance in the early part of the year, and several parties were given to raise money for the class.

Two needy families were very grateful to the tenth graders for their charitable service at Christmas.

The tenth grade girls have their own club, the Tenth Grade Y-Teens. During this year their projects and co-operation in school activities did much for the betterment of the community and the school.

In many and varied ways, the sophomores have done their part and are looking ahead with vitality and enthusiasm.

ACTIVITIES

Each of us has been a part of some activity: its business, fun, school spirit, and service to community, school, and self. Organizations themselves will fade, but much will long be remembered—people whom we have known, ideas our activities have inspired, and the part these organizations have played in making us capable of taking our place in the world.

What makes an annual good? Hours . . . energy . . . ideas . . . frustration . . . organization . . . rewrites and retakes . . . adjustments . . . each of these has a part in the final outcome of the annual. Hours are spent in taking pictures, developing them, and fitting them into their proper places. It takes energy and determination to get everything just right. Originality is most important, for each year the annual must be full of new ideas to make it just a little better than last year's. Finding the best layouts and fitting everything and everyone in causes frustration and demands real determination to "stick it out" until you get it right. Innumerable rewrites and retakes are necessary, even after the annual has gone to press for the first draft. Adjustments must be made continually! So that no club is left out and no one's feelings will be hurt, the staff spends time and overtime trying to fit everything into the annual.

Your editors and the staff have done their best to give you an annual of which you can be proud and one that you will enjoy not only this year, but always, as a reminder of 1955-1956 at Myers Park High School.

"Issue Number 14, coming right up . . . " You'd never, never guess it from the confusion which reigns as last-minute copy is rewritten and typed, and last-minute orders are shouted.

"Hallelujah; we're through!" Nell Archer and Betsy Wilson, co-editors, throw up their hands in relief.

"That's what you think," says Betty Bass, waving a forgotten story, which turns out to be the most important of all.

Manley Springs, business manager, obligingly starts to change the ad make-up, but Buddy Brauch, sports editor, has something to say about that:

"Leave it just as it is! Betsy, if you and Nell would leave my pages alone just *once* . . . "

Composed of homeroom representatives, committee chairmen, and the four officers, the Senior High Student Council made outstanding progress this year in developing a closer relationship with the student body. Some of the projects on which the two worked together were citizenship in the cafeteria, dances, school stationery and note paper, and assembly programs.

The capability these leaders have shown and their hard work on the projects they sponsored have brought Myers Park to the close of a most successful year.

A very successful year has been completed by the Junior High Student Council. It sponsored two dances, one at Christmas and another at the end of the year. Its main projects were a cleaner and more orderly cafeteria and the sale of barbecue tickets. Both netted excellent results. The experience received by these students will certainly be an asset to our Senior High.

NATIONAL HONOR SOCIETY

Unforgettable is the impressive tapping service of the National Honor Society, and unequal to any other is the significance placed on membership in this organization. The members are chosen by the faculty for outstanding scholarship, active leadership, dependable character, and worthy service.

The members of the Senior High National Society have, during the past year, constantly endeavored to improve Myers Park by sponsoring such projects as College Day, a coaching system, and an Honor Society Scholarship.

The Junior High National Honor Society was organized only last year and has spent most of this year taking in new members and planning projects for this new club.

In these ways the members of the National Honor Society have loyally portrayed good character, continually led others in the right way, conscientiously remained high in their studies, and unselfishly served their school.

BIBLE CLUB

Although there was no required attendance and no roll was kept, the Bible Club was one of the largest clubs at Myers Park. It was privileged to have many excellent speakers this year. The club presented programs to church groups, at the Rescue Mission, the County Home, and the Mecklenburg Sanatorium and gave financial support to foreign missions. Other activities included participating in school assemblies and sponsoring two retreats. One of the most helpful activities was the sponsoring of daily morning prayer meetings where many gained real spiritual strength through joining with others in singing and praying. It was the desire of the club that it might, through Christ, live up to its motto of "Serving Others Loyally."

KEY CLUB

Membership in the Key Club represents the highest achievement in leadership, character, and service a boy at Myers Park can attain. Candidates for membership must meet the conditions of a rigid point system. Teachers vote on the character of each candidate before he may be voted on by the club members.

The projects of the Key Club have been numerous, and its goal has been a better school through better citizenship. The first project of the year was a community service project, helping the Kiwanis Club by ushering at the Ice Capades. The biggest school project of the club was the Key Club Directory, a guide to the addresses of faculty and students. Another big project was the sponsoring of buses to football and basketball games. This improved school spirit and support of the teams. This year the club tried to keep an attractive and original display in one of the showcases to add to the beauty of the school.

The boys in the Key Club have certainly made Myers Park a more wonderful school by their willing service and outstanding support of all school activities.

GIRL AMBASSADORS

This year the Girl Ambassadors have truly served Myers Park High and been an asset to their community.

At the beginning of school, they had a party to give a warm and hearty welcome to all of the new girls in the senior high. This was followed by a workshop retreat at Camp Walton Stewart. After Thanksgiving the dreams, plans, and work of the Ambassadors for several years materialized when our beautiful Alma Mater was published. Christmas time rolled around, and not only church bells, but also door bells were ringing. The Ambassadors were selling Christmas centerpieces. At a caroling party with underprivileged girls many lasting friendships were made. Over the entire city they sold TB crosses, aided the muscular dystrophy program, and sold poppies for disabled veterans.

This wonderful group of girls has certainly upheld the Ambassadors' motto, "Duty makes us do things well; love makes us do them beautifully."

The Y-Teens is a YWCA-sponsored club for girls in junior and senior high school, and its members include girls from all religions and nationalities.

The purpose of this club is to build a fellowship of girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith in God.

The Y-Teen goals are: to grow as a person, to grow in friendship with people of all races, religions, and nationalities, and to grow in the knowledge and love of God.

Some of the many projects of the different clubs this year were: raising money for school activities, providing clothing and food for the needy, helping different community organizations, and giving time and thought toward upholding the name of Myers Park High School.

SENIOR CLASS HI-Y

The boys in the Senior Class Hi-Y Club have served their school in many ways during the past year. Their main projects were putting rubber mats as aisles in the gym and conducting a sale of light bulbs in order to buy a Bible for each homeroom. Their float in the Homecoming Parade won first prize, and they took second prize in the sale of tickets to the barbecue. They joined the Y-Teens in sponsoring a "Mitten Tree" at Christmas. The Senior Class Hi-Y sponsored the organization of a Tenth Grade Hi-Y, and the new club, beginning with only twelve members, progressed steadily and became a prominent senior high club.

DISTRIBUTIVE EDUCATION

The Myers Park High School Distributive Education Club has accomplished much during the past three years under the leadership of Miss Ruth Burdette. Fourteen members were employed during the past year by nine different business agencies. In addition, Myers Park has sent representatives to the Western District Convention, the State Convention, and the National Convention. At their meetings they have had speakers from different business fields and entertained their employers at their annual "Bosses' Banquet."

GIRLS' ATHLETIC ASSOCIATION

The Senior High Girls' Athletic Association was organized for the purpose of promoting sports and sportsmanship at Myers Park. During this past year, the girls have participated in swimming, golf, tennis, basketball, softball, horseshoes, and ping pong. By sponsoring intramural tournaments, the GAA reached many students and built up interest in athletics.

A Junior High Girls' Athletic Association was formed this year and spent a busy year electing officers and organizing themselves for projects.

Because of the hard work of the members of these two clubs, girls' sports have taken a prominent place in Myers Park's program of athletics.

MONOGRAM CLUB

"Hey, man! How about buying a 'Beat Central' card for the game tonight?" asks one of the members of the Monogram Club. This group of boys did an outstanding job in promoting school spirit by means of the booster cards this year.

Under the leadership of President Sutt Alexander this organization has sponsored varied projects which have proved to be necessary services to the school. Although the purpose of this club is to further interest and sportsmanship in athletics at our school, it has faithfully served our school at all times and in all ways.

The basketball fan will remember the boy wearing the "M.P." as the salesman of the refreshing "Coke" during all home basketball contests. Profits from these and other money-making activities were donated for the purchasing of each athlete's first letter.

The Monogram Club, composed of the school's lettermen, had a most active year and led other school organizations in improving Myers Park's athletic program.

LIMELIGHTERS

"Outward Bound" were the Limelighters with their crew of active members. Behind the production of such plays as "The Glass Menagerie," "A Phoenix Too Frequent," and "The Curious Savage" were many unsung but necessary workers. Publicity, house, props, scenery, and costume committees started their work at the same time rehearsals began. These backstage workers and the on-stage actors combined to give Myers Park its best year of drama yet.

FRENCH CLUB

Twice each month, anyone who has studied or is now studying French has an opportunity to meet with his fellow French students to broaden his knowledge of the French people. The French Club, through programs of singing, plays and skits, and French games, gives one a better understanding of the language and customs of the French people along with the friendly warmth of fellowship.

The program is conducted for the most part in French. It begins with a devotional from the French Bible. This may be followed by skits given by students, group singing, or games played in French. At any rate, those who belong to the French Club have learned that French is not all vocabularies and irregular verbs, but a great deal of fun to know.

One of the newest clubs at Myers Park is our Latin Club, for it was chartered only last year. This new club has entered enthusiastically into many projects and has progressed so rapidly in membership that it has become one of the largest and most outstanding school clubs.

This year has been a big one for Myers Park's Latin Club . . . one that will not soon be forgotten. Under the leadership of our new Latin teacher, Mr. "Oleo," they led the school in the sale of barbecue tickets.

As a climax to their most successful activities, they held a Latin banquet near the end of the year.

Mr. Cronstedt directs the chorus at the annual Christmas concert.

The Christmas spirit floats through the halls as the chorus sings carols.

"How do you do, my very good friend?" and "I'm very well, I thank you" streamed from behind the doors of LA 20 almost every day this year. The members of the chorus, under the leadership of Mr. Cronstedt, improved as they sang these exercises day by day.

The chorus started out this year rather "green," with only a few members returning from last year; it developed into a group that was highly respected by its fellow students, not only for the programs it gave, but also for its spirit of enthusiasm.

BOYS' GLEE CLUB

With a burst of song, Myers Park's first Boys' Glee Club was organized. The group of twenty-two voices, led by Mr. Carl Cronstedt, replaced last year's Girls' Glee Club. This fine group of boys formed another important link in the ever-growing musical chain at Myers Park.

First Row, left to right: **Mr. Carl Cronstedt, Rufus Smith, Tommy Washam, George Stallings, George Collins, Tony Seibert, Charles Lueas, George Castanas, Skipper Watwood.** ***Second Row:*** **Jimmy Dellinger, Hubert Moorefield, David Crecch, Robert Tourtellot, Ed Gallager, Lightsey Wallace, Don Shuman, David Pearee, Roy Newell.**

JUNIOR HIGH CHORUS

With thirty-five enthusiastic members, the Junior High Chorus began its year. Their foremost desire was to attend the District Music Contest where their ability would be recognized. Working together and singing together, these voices have formed a firm foundation for an outstanding Senior High Chorus.

EIGHTH AND NINTH GRADE CHORUS MEMBERS POSE IN THEIR CONCERT FORM. ***First Row, left to right:*** **Ellen Frye, Isobel Jones, Rosalind Rollins, Frank Farnan, Morrison Lowrance, Sandra Gravitte, Alice Barnhill, Ellen Elrod, Lynda Lyke.** ***Second Row:*** **Nancy Majors, Dorothy Kuebler, Ann Crosson, James Howie, Sammy Sehorn, Bill Tonks, Merrie Marcotte, Nancy Hamilton, Pam Kopp, Ann Holliday.** ***Third Row:*** **Dale Delph, Bill Carroll, Johnny Johnson, Penny Carter, Barbara Ann Hamilton.**

BAND

The band had the privilege of being the first band to play on the stage of the new Ovens Auditorium. Other performances included playing for football games, in concerts, at a college basketball game, and in the Carrousel Parade.

The band has grown in quantity and quality during the past years, as evidenced by the fine ratings received at the state music contests and the warm receptions of the audiences at the concerts.

The Myers Park band has made for itself and for the school a name which will always leave a deep feeling of pride in the hearts of all the students.

ORCHESTRA

Through the years the orchestra has been growing, but it progressed more this past year than in any other. It was a better balanced group with greater depth in each section.

Among the many activities of the orchestra were the three concerts and playing at assemblies and PTA meetings. It also went to the state music contest where it received high ratings.

The orchestra was well represented at all-state orchestra by a large group of its members and was very fortunate to have two of its members selected to play in the all-nation orchestra at St. Louis, Missouri.

The orchestra performs at the Christmas concert.

V-I-C-T-O-R-Y!!

During the month of August the cheerleaders met daily with aching bodies and sore throats and gradually changed from nine individuals to one united group. Eating together at each other's homes before the games and joining hands and hearts to pray for sportsmanship and guidance for their school and their opponents brought them even closer and strengthened their determination to do their job well. With the co-operation of the student body, they accomplished their two purposes—leading the students in cheers and developing school spirit—and cheered the boys to victory.

SENIOR HIGH CHEERLEADERS

JUNIOR HIGH CHEERLEADERS

Pep, clad in green and white, attended every junior high game in the form of nine cheerleaders. Not only at the home games were they present, but also at each game played out-of-town. They followed the teams throughout their schedules and gave them the support they needed to have a successful season.

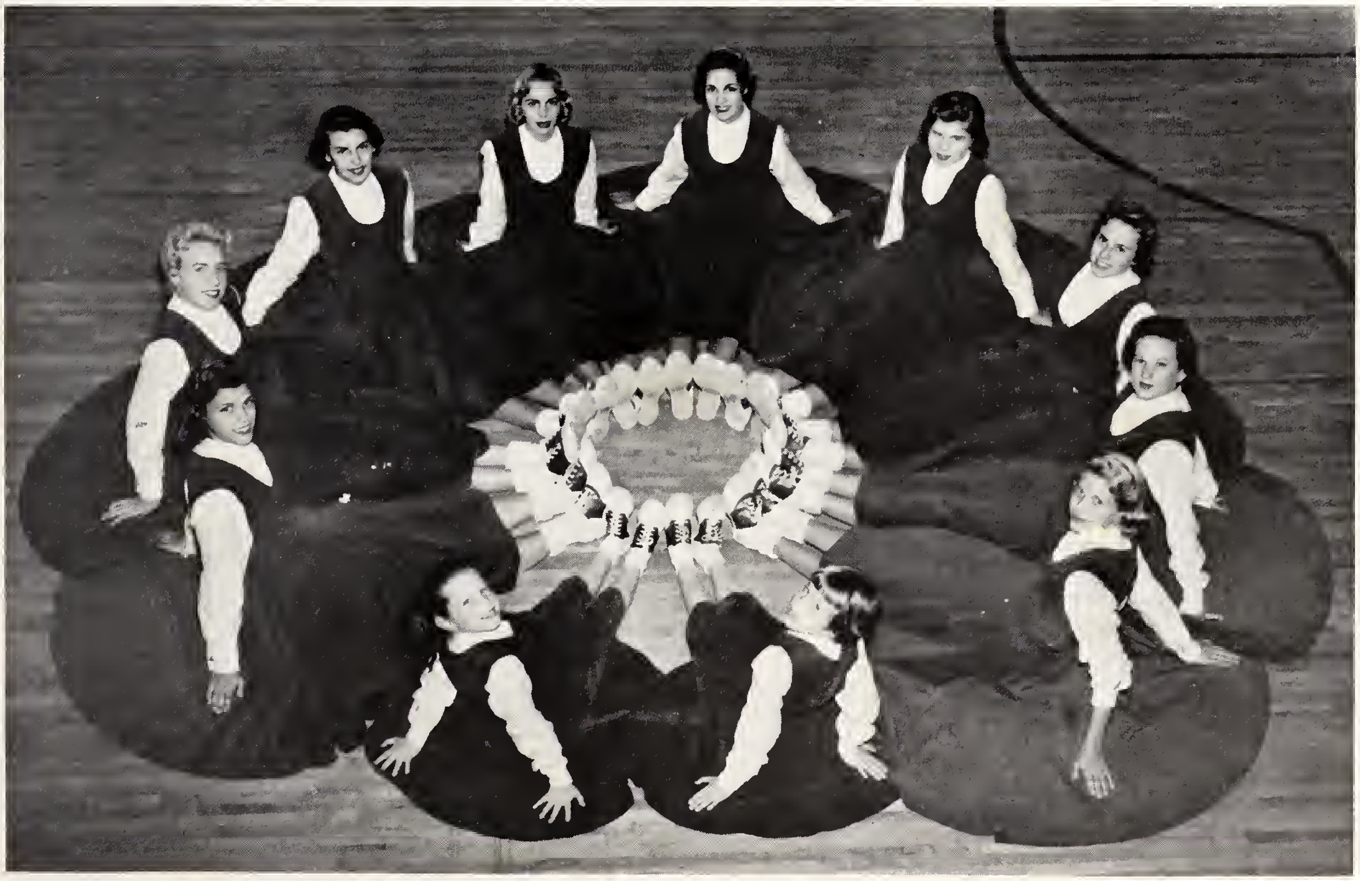
These girls have given much of their time, as well as energy, to practicing twice a week. Also, they were familiar figures at senior high football games, where they sold tassels and programs.

What is an enthusiastic crowd at a game without a group of good cheerleaders? The proof of the good work these gals have done this year was the unbeatable spirit at every game. Let's give 'em a hand!

M-U-S-T-A-N-G-S!!

"The captain's at the head!"

Clockwise from top are the "big wheels" of the junior high cheering section: Scott DeCamp, Joyce Johnson, Ellen Rose, Doodle Myers, Ginger Allison, Shelly Welton, Sandra St. George, Virginia Anderson, Martha McDonald, Linda Martin, Bonnie Currie, *Head Cheerleader*.



ATHLETICS

The cold nights, the cheers of the students, the best football team yet, the beginnings of swimming, wrestling, and cross-country on an interscholastic basis, the bounce of the basketball, the crunch of the cinders, the boom of a base hit, the continuation of excellent golf and tennis teams—these things develop the outstanding athletes of tomorrow.

SENIOR HIGH

Myers Park's Mustangs have improved in the past four years of senior high football activity and this year was no exception. The Steeds, led by Captain Roy Sanders, finished their most successful season with six victories and four defeats.

They opened on September eighth by rolling over North Mecklenburg 27-0. They next encountered Central's Wildcats, but received a 39-7 setback.

Myers Park found revenge in the next game by stopping East 6-0 but this was short-lived, for Harding downed the Mustangs 26-0 in the game that was to decide the city championship crown.

The Steeds won their next two games, the first against Winston-Salem Hanes 6-2 and the second over West Mecklenburg 13-7.

Albemarle and Rock Hill handed Myers Park their third and fourth defeats by the scores of 44-0 and 13-7 respectively.

The Mustangs won their last two grid affairs by easing past Monroe 13-12 and stomping Winston-Salem Gray 20-0.

Standouts for the season were Jim Dugan, most valuable player; Jerry Nuckolls, outstanding back; and Jonas Fulton, outstanding lineman.

JUNIOR VARSITY FOOTBALL

Myers Park's senior high football jayvees, led by Captain Jimmy Brownell, finished their second season with a record of four victories, one defeat, and one tie.

This year's squad was highlighted by outstanding players: Brownell, Mike Shulman, Leighton McGinn, Wesley Fox, Linton Wray, Steve Steele and Rudy Mansfield.

The J.V.'s, under the direction of coach Jack Sink, began their season victoriously by stopping North High 32-0. In their next three games they stopped West 20-7, Wadesboro 41-7, and East 42-2.

Harding then downed the Mustangs 25-19 for the Jayvee Championship of the city. The season ended with a 6-6 tie with Rock Hill.

CROSS COUNTRY

Captain Bill Van Every checks his time with Coach Braaten.

With the 1954 season serving as a proving ground for a high school cross country team, the Myers Park boys, with Mr. Braaten as coach, enjoyed a very successful year. Led by Captain Bill Van Every, the Green and White harriers defeated three teams and lost to four squads. With victories over the freshman teams of Duke and Wake Forest under their belts, the Parkers closed a successful year.

Behind Van Every in the order in which they ran were Verner Stanley, Buddy Burns, David Gilmour, Bob Powell, Bob Johnston and Don McNeil. Both Stanley and Gilmour took top individual honors one time for the Mustang team. In each of the four losses, the margin of difference between victory and defeat was small, and with more experience Myers Park could have enjoyed a winning year.

Every member of the squad except Van Every and Powell is eligible for at least one more year. Through hard work and a concentrated team effort, the future of Myers Park's cross country team looks secure.

Harry Jones and Ken Owen carry Coach Powell after first cage victory over Central.

Myers Park's 1956 basketball team, coached by George Powell, carried the school's name into cage glory for the first time in the five year history of the school.

Led by Co-captain Ken Owen and Harry Jones, the one-two scoring punch; Co-captain Bobby McClure, the speedy playmaker; and Jonas Fulton, the rebounding ace, the Mustangs began a nine game winning streak, including Myers Park's first athletic victory over AAA Central.

The squad lost some of its luster about the middle of the campaign by losing to East, Asheville, and AAA Gastonia.

On February third an overflow crowd of fifteen hundred watched the Mustangs decisively defeat East Mecklenburg's Eagles 82-58 to avenge an earlier season loss. The Mustangs went on to finish second in the GCAA conference regular season play.

The squad caught fire, defeating Harding 65-61 in over-

time, and West Mecklenburg 87-44 to become the GCAA's representative in the State AA Tournament.

At the tournament the team made a fine showing for itself, losing to state champion Kinston by only seven points.

The Mustangs placed Ken Owen on the All-Mecklenburg Team, while McClure and Jones were second team selections. Owen led the scoring, closely followed by Jones and McClure. Christian, Fulton, Stanley and McNeary gathered the majority of the remaining points. Christian and McClure led the floor play while the big boys Fulton, Jones, and Owen bossed the backboards.

The strong bench headed by McNeary, Stanley, and Summerville turned in many clutch performances. The 1955-56 season definitely established Myers Park as a team to watch in the AA basketball circles in the years to come.

TRACK

Coach Tom Braaten's fine leadership and everyone's willingness to work helped Myers Park's track team through a successful season.

After losing several outstanding men, the team had a slow start. Co-captains Dick Gates and Paul Biggers were two of the seniors on the team.

With men like Bill Van Every in the mile, Tommy Cordle in the 880, Roy Bradley in the sprints, Lightsey Wallace and Lee Mullis in the discus, Buzzy O'Brien in the hurdles, Bobby Powell in the 440, and a very good mile relay team which placed third in the state meet, Myers Park had every reason to be proud of the 1955 track season.

This spring Myers Park was one of the top track teams in the state. The returning lettermen were Roy Bradley, Bill Van Every, Lightsey Wallace, Lee Mullis, Buzzy O'Brien, Bobby Powell, Pat Gregory and Phil Johnston.

Harry,

Hope you move soon so I won't have to live near you (kidding). It's been great (?) knowing you, and lots of luck in the future!

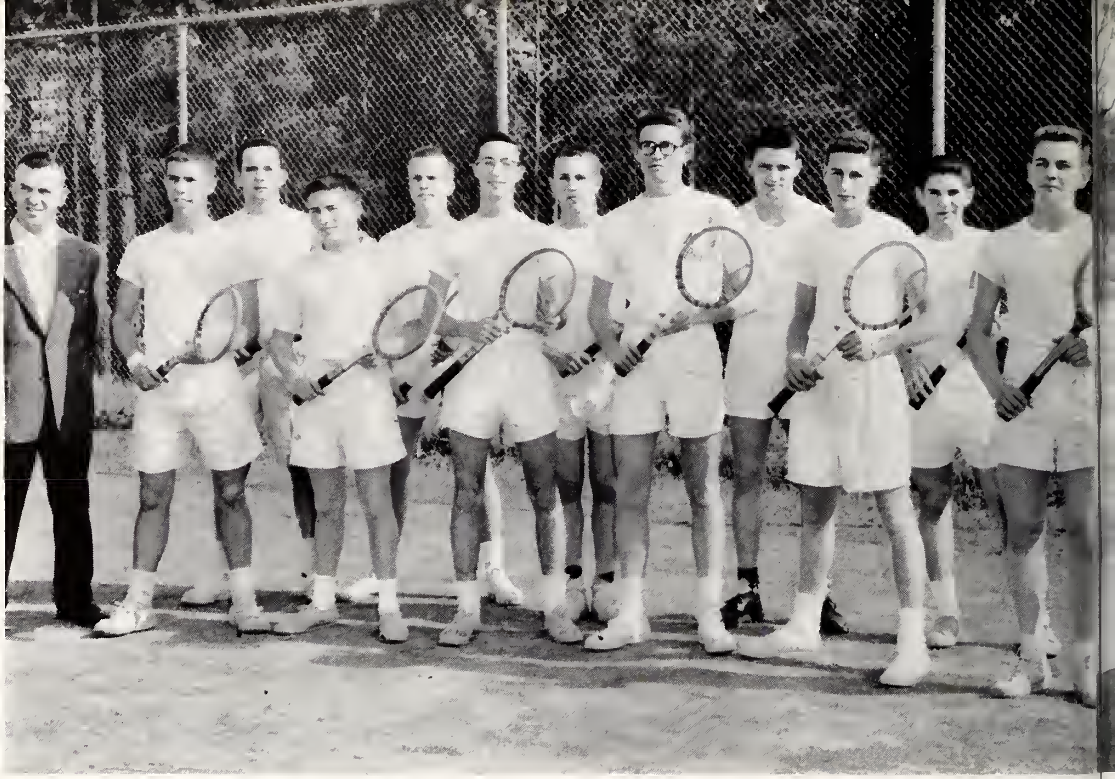
TENNIS

Coach John Guiton, Jack Lowe, Jerry Nuckolls, Jacques Macy, Charlie Waters, Finley Lee, Mike Shulman, Jim Whitehead, Bobby Page, Kenny Hawn, Bob Grossman, Skipper Kugler.



Myers Park tennis has become well known throughout the state. This statement can be verified by the record, compiled over the past four years. Losing only one member of the 1954 team, the 1955 group of eight men was considerably stronger than any previous team. The boys played fourteen matches, winning thirteen and losing only one. This defeat, by the University of North Carolina Freshmen, was avenged on the Myers Park Club courts later in the year.

Jack Lowe and Finley Lee appeared to be the strongest contenders for the 1956 year. Jacques Macy, Bobby McClure, Jim Whitehead and Ken Hawn rounded out the top six.

A new sport appearing in Myers Park's well-balanced athletic program this year was swimming, coached by Mat Lojko. The Mustang's best showing was in the state meet at Chapel Hill when they finished third.

Mike Welchel, captain, headed the squad successfully. Myers Park had a strong relay team in Dennis Leffler, Van Giersch, Tom Guerrant, and Allen Wells.

Next season the Mustangs should be more powerful because a fine nucleus will return from this year's team.

GOLF

Nicky Loughlin, Lawson Stanley, David Hefelfinger, Sutt Alexander, Sonny Waller, Verner Stanley, Tate Bowers, Gary Heeseman.

The Myers Park golfers, noted throughout the South for their powerful teams, opened their 1956 schedule with a list of seasoned veterans: Verner Stanley, Gary Heeseman, Sutt Alexander and Nicky Loughlin. The Mustang turfmen turned in an excellent year with U.N.C. Frosh and Florence furnishing the stiffest opposition. The team was rounded out with Sonny Waller, Tate Bowers, David Hefelfinger and Lawson Stanley.

Under the direction of Coach John Guiton, the first wrestling team in Myers Park's short history finished with what might be termed a successful season, although they won only three matches.

The Mustangs were led by Captain Bill Suttle who suffered only one setback the entire year. Wayne Hallman, a senior, and Graham Allison, a sophomore, completed the season undefeated. John Winter was another senior who wrestled well.

JUNIOR HIGH FOOTBALL

Under the direction of new head coach, Stuart Allen, the Myers Park Junior Mustangs finished their most successful season in junior high history, as far as a win-loss record is concerned, with five victories and two defeats.

The Colts opened their season with a setback by the Harding Ramlets.

Against A.G. two weeks later the junior high squad, led by Captains Barrow Mullis and David Underwood, came charging back to stomp the Bulldogs.

The Junior Mustangs picked up their second victory by rolling over McClintock.

In their fourth game the Colts thundered past Sedgefield to continue their winning streak.

They next overpowered the Optimist Club for their fourth triumph.

Wilson Junior High interrupted the Colts' victory march with a victory over the junior high squad.

In their final game the Junior Mustangs came back victoriously by stopping Piedmont's Panthers.

Goody Thomas drives for yardage.

Outflanked by defenders is Mustang's Bill Houston.

JUNIOR HIGH BASKETBALL

The 1955-56 junior high basketball team added another trophy to Myers Park's rapidly expanding showcase. This award was presented to the boys for winning the city championship for the second consecutive year. The Colts compiled a very noteworthy record of eleven wins and only one defeat. The loss was suffered at the hands of the Piedmont five, but the Junior Parkers had their revenge later in the season.

David Underwood, proclaimed by many observers as an outstanding prospect for high school basketball, was top scorer with 186 points. Also among the finest players in the city were Billy Wallace and Robert Cordle. With Coach Allen as an able leader, the Myers Park Junior High team closed its most successful year.

JUNIOR HIGH BASEBALL

Hal Beaver, Bob Cordle, Goody Thomas and Chan Richards, returning lettermen, formed the nucleus of the junior high baseball team. Since Buddy Herring, last year's top moundsman, had graduated to varsity ball, the team relied on the pitching of Hal Beaver, a converted catcher. The team's record as well as their increased experience speaks well for an expanding program of baseball at Myers Park.

JUNIOR HIGH GOLF

The junior high golf team was strong again this year as is typical of the golf teams at Myers Park. Following the tournament which was held to determine the school champion, four competitive matches were played.

In trap: Rush Shull. Bill Barber, Dick Sieburg, Charles Connelly, Billy McKee, Charles Dalton, Butch Allen, Sam Sehorn, David Farr.

On February 2, 1956, the 1955-1956 girls' basketball team began its official season. The girls had practiced prior to this time every Tuesday, Thursday, and Friday. The team had in terms of wins and losses, a poor season, but in the improvement and mastery of skills, and in the development of school and team spirit, the season proved to be favorable. Led in scoring by Leigh Mackinney, all the girls showed their spirit by playing their best in every game on the schedule. This year's outstanding guards were Millie Field and Sammie Vermillion, and the forwards were led by Leigh Mackinney and Betty Boston.

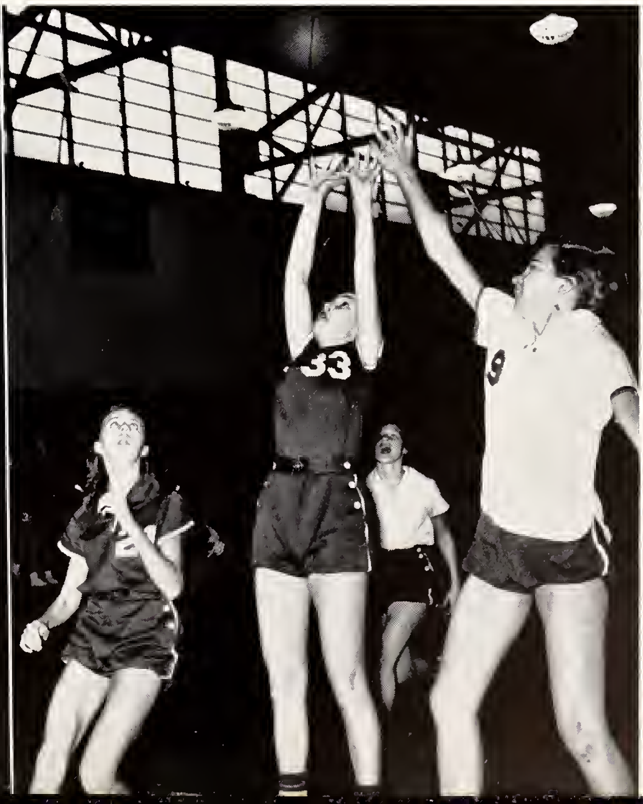
JUNIOR HIGH BASKETBALL

The 1955-1956 Junior High girls' basketball season was successful in every way. They, as well as the Senior High girls, gained during the season valuable playing skills and also, out of the 7 games played, the team won 6. As a result of their victories over 6 of the 7 opposing teams, the Myers Park girls gained for themselves and for Myers Park, the City Championship. All the girls played well during the season, but the 4 outstanding players were Joanne Cooper and Sally McKaig, forwards, and Scott DeCamp and Judy Fitzjohn, guards.

Martha puts her demonstration into action.

Looks like someone else has learned, too.



GIRLS' GOLF

On March 23, 1956, approximately 10 girls went out for the Myers Park girls' golf team. In order to qualify for the team, the girls were asked to play 9 holes of golf with either 2 of the other girls going out for the team or the club professional. From the 10 girls, the 3 with the lowest scores were selected as the members of the golf team. Since few schools provide golf for girls, no matches with other teams were planned, but the team members found great pleasure in playing among themselves.

THERE'S NOTHING LIKE A GAME OF GOLF ON A SUNNY DAY.

GIRLS' SWIMMING

This year the Myers Park girls had two swimming programs, synchronized and competitive. The synchronized swimming program was held during the winter months and after the necessary techniques had been mastered by the team members, the season was closed with a water ballet at the Y.W.C.A. The competitive swimming program began in March and continued through the spring months. The girls participating in this program practiced faithfully every Monday, busying themselves with learning the techniques needed for greater swimming speed. Both programs proved to be enjoyable and profitable to all who participated.

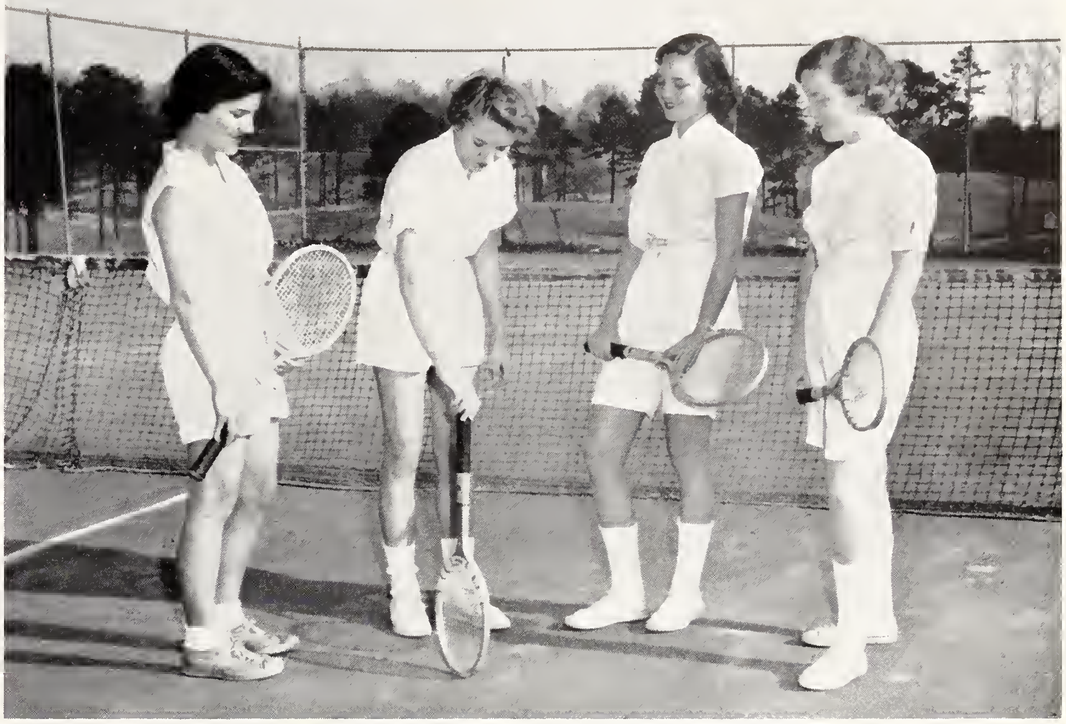
DIVING PRACTICE AND COMPETITIVE ACTIVITIES WERE ON THE SWIMMING TEAM'S PROGRAM THIS YEAR.

A. *In the pool:* Nancy Hall, Julia Doar. *First Row:* Jeanne Helms, Millie Field, Mary Dale, Gwen Neiman, Mickey Moon. *Second Row:* Jo Anne Miller, Jane Arthurs. *Third Row:* Leigh Mackinney, Jocelynn Palmer, Marnie Rogers.

B. *On the springboard:* Sally McKaig. *Left to right:* Robin Pleasants, Betsy Glenn, Jane Charnley, Pam Stacks, Judy Suttle, Merrie Marcotte, Mary Frances Jones, Paula Lumpkin; *standing*, Nancy Willard, Jane Douglas, Mebane McDonald.

GIRLS' TENNIS

The warm April weather this year drew tennis-playing Myers Park girls to the courts for a tennis clinic. Freedom Park was the scene of action as Miss Lou Jones led about 20 girls in the mastery of tennis skills such as the forehand and backhand strokes, the serve, and volleying. Tips on speed, accuracy, and form, the big three in tennis lingo, were shouted across the net as the girls and instructor worked to improve their game. Although no interscholastic contests were held, the girls gained experience and enjoyment practicing together and participating in intra-squad matches.



THEY'RE ALL SET FOR A BRISK GAME OF TENNIS.

GIRL CHAMPIONS

Millie Field
Jane Oliver

Linda Dancy
Joanne Cooper

The four outstanding girls in sports at Myers Park this year have shown not only skill in playing but also good sportsmanship. These girls have displayed school spirit and a love of sports this year, and their interest in and support of athletic contests has won for them the respect of their teammates. Linda Dancy's interest and ability lay in horseshoes. Millie Field showed championship skill in badminton. In ping pong, Jane Oliver led the senior high girls, and Joanne Cooper was the outstanding junior high player.

FEATURES

Beauties chosen by a capable judge, senior superlatives honored by their classmates, Mr. and Miss Myers Park picked because of their school-spirited support of every activity, winners of the coveted DAR and Harvard Book Awards selected as the most outstanding boy and girl in the class of '56, Miss-Hi-Miss named for her accomplishments in all phases of school life—these we honor because they have done more than their part in making Myers Park a school which has been recognized by all in our community.

JUNIOR MARSHALS PRACTICE FOR GRADUATION.

Left to right: First row; Judy Harris *Chief Marshal,* Eleanor Allen, Mary Hunter Kennedy, Joanna Risdon, Boyce Rich, Margery Speir, Evelyn Faires, Margaret Carpenter, Betsy Wilson, Tootsie Sheppard, Margaret Goldsborough. *Second row:* Ken Oliver *Chief Marshal,* Charles Lucas, Pat Gregory, Finley Lee, Verner Stanley, Butch Rogers, Tom Best, Fred Buchan, Charles Waters, Cecil Balderson, Ed Gallagher.

JUNIOR MARSHALS

Serving as a Junior Marshal is one of the highest honors a Myers Park student can achieve. The marshals are nominated by the faculty on the basis of citizenship, leadership, character, service, and scholarship and are elected by the junior class. They lead the senior class procession, usher, and distribute programs at the sermon and the graduation exercises.

Each year an outstanding junior boy is presented an award given by the Harvard Book Club. The winner of the Harvard Book must excel in scholarship, leadership, merit, and service. Bobby Powell was chosen by his teachers for this award in 1955.

The D.A.R. award, sponsored by the Charlotte Chapter of the Daughters of the American Revolution, is bestowed upon the girl who best represents her class in dependability, service, leadership, and patriotism. This year the senior class elected Jean McDougle to receive this honor.

ADS

On the following pages our advertisers are represented; without them there could be no MUSTANG. A system of cooperation exists between those who advertise in our annual and those who buy and enjoy it throughout the years. Through the selling of advertisements, many students meet members of business firms; and the advertisers in turn become acquainted with the students of our school. This creates a relationship which we recognize with pride and wish to maintain. By reading the ads in our yearbook, we learn who are interested in high school students. These advertisers are helping to give us a bigger and better annual, so let's support them.

It has been great knowing you these past years. You are a sweet guy and will go a long way in this world. Have a nice summer and I will see you next year.
Your pal,
Lowell

It was alot of fun sitting at your table in English, even if you did continue to forget, accidentally on purpose, your money to buy my tickets. You are a really nice guy, and I wish you all the luck in the world. I hope I can always be counted as one of your friends.

Always,
Frannie
